

## GOING BATTY:

# 2<sup>ND</sup>/3<sup>RD</sup> GRADE ALP PROJECT

1. PICK A BAT TO RESEARCH.
2. TAKE NOTES FROM YOUR RESEARCH (ON CARDS OR A GRAPHIC ORGANIZER), FINDING MANY DIFFERENT FACTS, including description/type (megabat or microbat), habitat, diet, predators, location found, and other interesting facts (go beyond!).  
Also, include answers to the essential questions (found in the classroom and on the website!).
3. SHARE YOUR RESEARCH WITH THE CLASS IN A CREATIVE WAY. Use visuals!  
EXAMPLES: TRI-BOARD, TALK SHOW, POEMS, SONGS, PLAY, PUPPETS, MOVIE, DIORAMA, ETC. *Go above and beyond by combining different ways of presenting your information!*
4. BE READY TO PRESENT ON NOVEMBER 12.
5. HAVE FUN AND KEEP GOING BATTY!
